Dear Ms. Walli:

**Re: Applications for Electricity Generation Licences**

**EB-2013-0403: Fiera Solar Orillia 3 L.P.**  
**EB-2013-0404: Fiera Solar Ingersoll 1 L.P.**

**Confirmation of Posting of Notice of Application and Written Hearing  
(Notice)**

---

Pursuant to the Board's Letter of Direction herein dated December 2, 2013, we write to confirm that the licence applicants have posted the Notice. As advised in our application transmittal letter dated November 13, 2013, as the applicants are newly created special purpose entities, and do not have websites of their own, the Notice has been posted on the website of the applicants' ultimate parent entity; Fiera Axiom Infrastructure Inc. The posting can be found through the following link:
