Guelph Hydro Electric Systems Inc. (Guelph Hydro) 2014 IRM
Electricity Distribution Rate Application – Confirmation of Completeness and Accuracy of 2014
Tariff of Rates and Charges**

Guelph Hydro has reviewed the Board's Decision and Order issued on December 5, 2013 in respect of the above-noted file. Guelph Hydro confirms that the draft Tariff of Rates and Charges as shown in Appendix A of the Decision and Order is complete and accurate.

As directed in the Board's Decision and Order, Guelph Hydro confirms that it has credited the accounts of all customers affected by the billing error with respect to the Wholesale Market Service Rates ("WMSR") and Rural & Remote Protection Plan ("RRRP") on November 29, 2013. Guelph Hydro designed and used a special program that successfully posted all adjustments in one day on November 29, 2013. All affected customers will see the adjustments on their next regularly scheduled bill issued after November 29.

Should there be any questions, please contact me at the number below.

Respectfully Submitted,
