Dear Sir:

**Re: White Pines Wind Incorporated (WPD)  
Leave to Construct Transmission Facilities, File EB-2013-339**

---

The County of Prince Edward (County) is the host municipality for the White Pines Wind Incorporated (WPD) Renewable Energy project and the road authority having jurisdiction related to the above application. We are responding to the notice of hearing recently published respecting the above.

Further to our previous correspondence on this file we are confirming our request to be granted intervenor status at this hearing. We also request that this hearing be by way of an oral hearing. Having only just received the notice we have not yet fully prepared our reasons for requesting an oral hearing, and will provide that information in the near future under separate cover.

We thank you for your consideration. Should you have any questions, please contact the undersigned.

Yours truly,

Robert McAuley, P.Eng, C.B.C.O.  
Commissioner Engineering, Development and Works
