Dear Ms. Walli:

Re: EB-2013-0110

On behalf of Algoma Power Inc. ("API") we are writing to follow-up on API's Notice of Motion dated November 15, 2013, in which API requested that its current rates be made interim should its 2014 rates not be implemented by January 1, 2014. Because we have not received a procedural order since filing the Notice of Motion, and because it seems unlikely that API's 2014 rates will be implemented by January 1, we reiterate our request that API's current rates be made interim.

Sincerely,

Andrew Taylor
