**EB-2011-0323 Alliston Reinforcement Project**  
**Conditions of Approval - Interim Monitoring Report**

In Sections 3.3 of Conditions of Approval in the Board's Decision, the Board orders that Enbridge file a final monitoring report within 15 months of the in-service date of the project which would make the report due to the Board on March 19, 2013. As it will be difficult to conduct a proper assessment during winter months and verify that there are no outstanding issues related to the project, Enbridge is requesting an extension to the filing date for the final monitoring report until May 2014.

If you have any questions, please contact the undersigned.

Yours truly,

(Original Signed)
