Responses to Board Staff Interrogatories**

**Question 1.**

2014 RTSR Adjustment Work Form

Ref: A portion of Sheet 4 “RRR Data”.

- a) Please confirm that the amounts entered into the columns “Non-Loss Adjusted Metered kWh” and “Non-Loss Adjusted Metered kW” have not already been adjusted by RSL’s Board-approved loss factor.

**Response:**

RSL confirms that the amounts entered into the columns “Non-Loss Adjusted Metered kWh” and “Non-Loss Adjusted Metered kW” have not already been adjusted by RSL’s Board-approved loss factor.

**Question 2.**

2014 Tax Sharing Work Form

Ref: A portion of Sheet 3 “Re-Based Bill Det and Rates”.

Board staff notes that the data entered in columns D, E, and F do not reconcile to RSL’s current Tariff of Rates and Charges.

- a) Please provide an explanation for the data entered in columns D, E, and F.

**Response:**

The data entered in columns D, E, and F is incorrect. RSL entered the data from an older Tariff of Rates and Charges in error.

b) If this is an error, Board staff will make the necessary corrections to the model.

**Response:**

Thank you. RSL apologizes for the clerical error.
