Attention: Board Secretary

Dear Ms. Walli:

**Re: Cambridge and North Dumfries Hydro Inc.  
Application for 2014 Rates  
Application Board File Number EB-2013-0116  
Comments on Draft Issues List**

Pursuant to Procedural Order No. 1 issued on December 16, 2013, the following represent Cambridge and North Dumfries Hydro Inc.'s ("CND") comments with respect to the Draft Issues List ("List") in CND's Cost of Service Rate Rebasing Application, for rates effective May 1, 2014:

- CND continues to both support and adapt to the development and implementation of the Ontario Energy Board's ("Board") Renewed Regulatory Framework for Electricity Distributors ("RRFE") initiatives.
- CND understands that the series of questions contained in the draft Issues List is intended to supplement the Filing Requirements to assist in ensuring that the process established by the Board to determine just and reasonable rates contemplates the outcomes based approach in the Renewed Regulatory Framework for Electricity Distributors ("RRFE")<sup>1</sup>; and
- CND, as a 2014 Rate Application filer, is filing its first application under the RRFE and recognizes that this is a year of transition. As such, CND respectfully requests that this be considered in the assessment of any new issues arising from the RRFE.

CND accepts the draft Issues List without change based on the comments provided.
