To All Participants in EB-2013-0233:

**Re: East Durham Wind, Inc.
Application to Determine the Location of Distribution Facilities within Road
Allowances
Board File No. EB-2013-0233**

The Board has issued today a revised Decision and Order for the above mentioned proceeding.

The Revised Decision and Order replaces the one issued on November 7, 2013 to correct paragraph 1.c) on page 9 of the Decision and Order with the added words underlined for greater clarity:

c. The Distribution System location aspects of the diagrams shown at Exhibit B, Tab 6, Schedule 1, Appendices C and D shall be followed in constructing the Distribution System within the Road Allowances.

The revised Decision and Order also corrects the spelling of “meter” to “metre”.

The Board is issuing the revised Decision and Order, in accordance with section 43.03 of the Board's *Rules of Practice and Procedure*, in order to clarify the subject paragraph so that it better reflects the entire context of the Decision and Order and to correct the typographical error indicated.

Yours truly,
