Board Secretary
Ontario Energy Board

Dear Ms. Walli:

Re: EB-2013-0425 – City of Cornwall - Franchise Agreement

The Board's Letter of Direction issued December 23, 2013 related to the Notice of Application for the Cornwall franchise agreement indicates that the English and French Notices are to be published no later than 3 weeks from the date of the Letter of Direction.

Given the timing of the issuance of the Letter of Direction, we were not able to address it until staff had returned from the Christmas holiday season. While we have arranged to have the English version of the Notice published on January 10, 2014 (i.e., within the 3 week time frame), we will not be able to publish the French version of the Notice until January 15, 2014 (just a few days later than required by the Board in its Letter of Direction) given that the French-language newspaper is only published weekly.

Should you have any questions, please do not hesitate to contact me.

Yours truly,
