Attention: Ms. Kirsten Walli
Board Secretary

Dear Ms. Walli:

Re: NextEra Energy Canadian Operating Services Inc. electricity generation licence (EG-2012-0311) amendment to operate Bluewater Wind Energy Centre

We are counsel to NextEra Energy Canadian Operating Services Inc. ("NEC OSI"). On behalf of NEC OSI, we hereby request that Schedule 1 of NEC OSI's Electricity Generation Licence (EG-2012-0311) be amended to include the operation of the Bluewater Wind Energy Centre ("BWEC").

NEC OSI will be the operator of the BWEC. The BWEC is a proposed 59.9 MW wind power generating facility which will be located in Huron County. The BWEC will have 37 GE 1.62 MW wind turbines, and is being developed pursuant to a power purchase agreement with the Ontario Power Authority ("OPA") under the OPA's feed-in-tariff program (FIT Reference #: F-002171-WIN-130-601). The BWEC will be owned by Varna Wind, Inc. Varna Wind, Inc. is applying for an electricity generation licence under separate cover.

NEC OSI requests that this amendment application be disposed of without a hearing, and hereby provides its consent to same. NEC OSI submits that in accordance with the requirements of s. 21(4)(b) of the *Ontario Energy Board Act, 1998*, no person will be adversely affected in a material way by the outcome of this amendment application proceeding.

Please contact the undersigned with any questions regarding the foregoing.

Sincerely,

McCarthy Tétrault LLP

for. George Vegh
