Dear Board Secretary:

RE: Rainy River Resources Ltd.
Application for Leave to Construct 230kV Transmission Line
Rainy River Powerline Project

We are counsel to Rainy River Resources Ltd. ("RRR").

We enclose two copies of an Application by RRR for leave to construct a 230kV transmission line and related facilities to provide electricity to RRR's Rainy River Project, in the Territorial District of Rainy River, in northwestern Ontario.

The supporting pre-filed evidence contains the names and particulars of individual landowners, at the following Exhibits:

Exhibit A, Tab 3, Schedule 2 – List of Interested Parties
Exhibit B, Tab 6, Schedule 4, Table B.6.4 -1
Exhibit B, Tab 6, Schedule 4, Attachment 1 – Detailed Corridor Land Ownership Map
Exhibit B, Tab 6, Schedule 4, Attachment 2 – Detailed Corridor Land List

Accordingly, we request that the personal information contained in the above-noted Exhibits be kept confidential and not appear on the public record nor made available for public review.

We enclose two further copies of the Application which we have redacted at the Exhibits noted above, for purposes of the public record and review.

An electronic copy, in searchable Adobe Acrobat format, of the confidential and redacted versions of the Application and pre-filed evidence have been forwarded via email to the Board Secretary. A disk containing the electronic copies is also enclosed herewith.

We request that the Board assign a Docket Number for this proceeding and issue a Notice of Application and Letter of Direction.

Should you require additional information, please contact the writer.

Yours truly,

AIRD & BERLIS LLP
