Dear Mr. Tolmie:

**Re: Ontario Power Generation Inc.
2014-2015 Payment Amounts Application
Board File Number EB-2013-0321**

On January 10, 2014 the Ontario Energy Board (the "Board") received Sustainability-Journal.ca's request for intervenor status in the EB-2013-0321 proceeding and eligibility for an award of travel costs in the event the hearing is not held in Ottawa.

The Board approves Sustainability-Journal.ca as an intervenor in this proceeding and has determined that Sustainability-Journal.ca is eligible to apply for an award of travel costs under the Board's *Practice Direction on Cost Awards*.

The Board reminds Sustainability-Journal.ca that it should consult Procedural Order No.1 dated December 20, 2013 which sets out the deadlines for any submissions by parties on the draft issues list and the confidential treatment of certain information.

Yours truly,
