Dear Ms. Walli:

**Re: Service Area Amendment
Brant Waterloo Road
EB-2013-0409**

In response to an email request from Board staff, CND confirms that it wishes to proceed and to dispose of this licence amendment request without a hearing, in accordance with subsection 21(4)(b) of the OEB Act. This subsection provides (in part) that the Board may dispose of a proceeding without a hearing, if no person will be adversely affected in a material way by the outcome of the proceeding.

CND has determined that no person will be adversely affected by the outcome of this proceeding. The existing customer is currently connected to CND's system and will not incur any costs associated with this request. Future customers identified in the request will similarly be connected to CND's system and will not incur any costs associated with this Service Area Amendment request.

Board staff have indicated that, with few exceptions, similar types of applications are processed without a hearing.

In its Letter of Support for this request, Hydro One indicated that they support CND's request to proceed with this licence amendment request without a hearing.

Two copies of this letter have been forwarded to your attention via courier.

If you require any additional information or clarification, please contact me at (519) 621-8405, ext. 2340.
