Board Secretary
Ontario Energy Board

Dear Ms. Walli:

**Re: EB-2007-0510
Brantford Power Inc. Responses to Schools Interrogatories on its
Application to the Ontario Energy Board for electricity distribution rates
and charges effective May 1, 2007**

We are counsel to Brantford Power Inc. ("Brantford Power") in the above-captioned matter. Please find accompanying this letter an updated version of Brantford Power's responses to interrogatories from the School Energy Coalition ("Schools"). We reiterate our comments, set out in our letter of April 3, 2007 (a copy of which is enclosed for your reference), with respect to the relevance and legitimacy of the majority of the Schools' interrogatories.

As we stated in yesterday's letter, Brantford Power does not wish to be placed in a position in which the Schools intervention and interrogatories are delaying the processing and implementation of Brantford Power's mechanistic 2007 distribution rate adjustment. Brantford Power is therefore providing responses to those questions as a courtesy to the OEB and Schools. However, the fact that Brantford Power is providing these responses should not be interpreted as Brantford Power's acceptance of the legitimacy or relevance of those questions in this proceeding, or as Brantford Power's acceptance of Schools' entitlement to recover its costs related to the preparation of those questions or to the preparation of submissions related to the projects themselves as opposed to the requested deferral account.

Should you have any questions or require further information, please do not hesitate to contact me.

Yours very truly,
BORDEN LADNER GERVAIS LLP
