**Re: EB-2008-0150 - Consultation Process on Energy Issues Relating to Low
Income Consumers
Enbridge Gas Distribution Inc. (“Enbridge” or the “Company”)
Comments on Intervenor Cost Claims**

In accordance with the Ontario Energy Board’s (the “Board”) Notice of Hearing for Cost Awards dated December 19, 2013, for the above noted proceeding, Enbridge has reviewed the cost claims it has received from Vulnerable Energy Consumers Coalition (“VECC”).

The Company found the claim to be within reasonable tolerances of the thresholds imposed for this proceeding and to be consistent with the allowances of prescribed rates within the cost assessment guidelines, and therefore has no objection to these claims.

The Company reserves the right to make submissions regarding any outstanding eligible party’s cost submission which is subsequently received.

The Company awaits the recommendation and or cost awards of the Board with respect to these Intervenor cost claims.

Please contact the undersigned if you have any questions.

Yours truly,

(Original Signed)

Kevin Culbert
Manager, Regulatory Accounting
