Dear Ms. Walli:

Enbridge GTA Project (EB-2012-0451)
Union Parkway West Project (EB-2012-0433)
Union Brantford-Kirkwall Parkway D (EB-2013-0074)

We are counsel to the Association of Power Producers of Ontario ("APPrO") and submit this request on its behalf.

Yesterday, the Board issued its decision in the above-noted matters. Among other things, the Board ordered that intervenors file with the Board and forward to Union Gas Limited and/or Enbridge Gas Distribution Inc. their respective detailed and project specific cost claims within 7 days from the date of the decision (Thursday, February 6th, 2014).

APPrO's legal counsel – Elisabeth DeMarco and I – will both be out of the office next week with limited access to email. We will therefore face a number of challenges in attempting to complete, swear and file APPrO's cost claim within the stated timeline.

As such, we respectfully request that the Board grant APPrO a one-week extension to February 13, 2014 in order to file its cost claim with the Board. We would also ask that the Board allow the applicants an additional week, or until February 20, 2014, in order to review and file any objections to said cost claim.

Please feel free to contact me with any questions or concerns

Yours very truly,
