Dear Ms. Walli:

Re: EB-2012-0451, 0433 and EB-2013-0433
Federation of Rental-housing Providers of Ontario (FRPO)
REQUEST FOR COST CLAIM EXTENSION

I am writing on behalf of the Federation of Rental-housing Providers of Ontario ("FRPO") in regard to the Board orders contained in the decision in the above proceedings dated January 30, 2014.

FRPO is requesting an extension to the deadline ordered for submission of cost claims within seven days of the date of the decision. Our challenge in that period is our focus on the concurrent Enbridge Gas Distribution settlement conference in its Incentive Ratemaking Mechanism in EB-2012-0459 and having the resources to complete the submission of a cost claim in parallel. Further and very importantly, FRPO would like to have opportunity to review draft accounting order submissions by the utilities that have a deadline 10 days after the decision. While we are submitting this request on behalf of FRPO, we would respectfully request the Board's consideration of the extension of the cost claim submission deadline for all parties in light of the timing of the deadline for the draft accounting orders.

Similar to the previously submitted and approved extension by APPrO, we would respectfully request an extension to February 13, 2014 for the cost claim and would support a similar one week extension for the utilities review process.

Thank you for your consideration of this request

Respectfully Submitted on Behalf of FRPO,

Dwayne R. Quinn
Principal
