Dear Ms. Pasceri:

**Re: Application for Feed-in Tariff Program Electricity Generation Licence
Board File Number EB-2014-0027**

This will acknowledge receipt on February 3, 2014 of your revised application for an electricity generation licence as a Feed-in Tariff Program participant. Your application cannot be processed until the following has been filed:

Section 10, Pages 6 of the Application Form – Licensing History:

Section 10 a) of the application requires to answer a question whether the applicant has ever been licensed by the Board. You have answered “Yes” and provided the licence No EG-2012-0010; however the name of the licensee appears to be different from the applicant’s name.

Please explain whether 2176047 Ontario Inc. has changed its name to the applicant’s name since the licence EG-2012-0010 has been issued. If yes, a licence amendment may be required instead of a new licence application. If the applicant is a separate legal entity from 2176047 Ontario Inc., the answer to question 10 a) should be “No”, the information about the licensee should be removed and page 6 resubmitted.

The Board will resume processing your application once the above information has been filed. If the above information is not filed within 30 days of the date of this letter, the Board may close the file for this application.

Upon receipt of the required information the Board will issue an acknowledgement letter indicating the expected date on which a decision and/or order may be rendered.

Please file two paper copies of the additional material and an electronic version in Word and in searchable Adobe Acrobat (if available) with the Board Secretary. Electronic copies may be submitted on CD or by e-mail to boardsec@ontarioenergyboard.ca.

Please direct any questions relating to this application to Irina Kuznetsova, Advisor at 416-440-8138 or e-mail, Irina.Kuznetsova@ontarioenergyboard.ca.

Yours truly,
