DECISION AND ORDER

February 6, 2014

RE Sunningdale 1 ULC filed an application on January 23, 2014 with the Ontario Energy Board pursuant to section 74 of the *Ontario Energy Board Act*, 1998, to amend electricity generation licence EG-2013-0297.

The applicant requested that the name on electricity generation licence EG-2013-0297 be amended from RE Sunningdale 1 ULC to RE Sunningdale LP.

The licence amendment is granted.

The applicant stated that a new limited partnership, RE Sunningdale LP, was created and the generation facility and all agreements related to the generation project will be transferred to the new limited partnership. Other than a change of the licence name and related asset transfer, all other information regarding this licence remains the same.

I have proceeded to decide the application without a hearing pursuant to section 21(4)(b) of the Act since no other parties are adversely affected in a material way by the outcome of the proceeding, and the applicant has consented to disposing of the application without a hearing.

IT IS THEREFORE ORDERED THAT:

Electricity generation licence EG-2013-0297 is amended as requested. The amended licence is attached to this Order.
