Dear Ms. Walli:

**Re: EB-2013-0321 – 2014/15 Payment Amounts Application – Darlington
Refurbishment Business Case**

As referenced in Exhibit N1-1-1, please find attached an updated business case summary (BCS) for OPG's Darlington Refurbishment Project.

This BCS was approved by OPG's Board of Directors in November 2013 and it replaces the existing BCS found at Exhibit D2-2-1 Attachment 5. Referenced within the new Darlington Refurbishment BCS is a supporting project dealing with Fuel Channel Life Extension (FCLE). The FCLE BCS has also been filed and has been given a new exhibit number (Exhibit F2-3-3, Attachment 1, Tab 11).

Best Regards,
