Attention: Ms. K. Walli, Board Secretary

Dear Ms. Walli:

**Re: Dufferin Wind Power Inc. - Application for Authority to Expropriate
(EB-2013-0268)**

We are counsel to the applicant, Dufferin Wind Power Inc. ("DWPI") in the above-referenced proceeding. In the Board's Procedural Order No. 3 and Decision on Issues dated February 7, 2014, the Board refers at p. 5 to comments made by Mr. Thom, counsel for the intervenors James Daniel Black and Marian Arlene Black (the "Blacks") indicating that the nature of the Blacks' involvement in the proceeding going forward would depend on the outcome of discussions with DWPI following the recent release of an arbitral award between the Blacks and DWPI.

Yesterday we were advised by Mr. Thom that the Blacks do not intend to take further steps in relation to the arbitral award. We also confirmed that all requirements of the arbitral award relevant to the placement of collector lines on the Blacks' properties have been satisfied. As DWPI has now secured all interests in land necessary for the construction, operation and maintenance of the collector lines on these properties, we hereby advise the Board that DWPI is withdrawing its application for authority to expropriate insofar as it relates to the Blacks' properties.

Yours truly,

Jonathan Myers
