Re: Application No. EB-2013-0365 - Union Gas Limited (Union) – 2014 Rates Application

Dear Ms. Walli:

Please be advised that TransAlta Generation Partnership and TransAlta Cogeneration LP (TransAlta) requests intervenor status in this proceeding. While TransAlta recognizes that it has not filed a timely intervention letter, please note that TransAlta wishes to monitor this proceeding, and does not intend to file any evidence. TransAlta may file interrogatories on intervenor evidence, and may also participate in the Settlement Conference.

TransAlta owns two gas-fired plants connected to Union Gas's system and contracts for various gas transportation, delivery and storage services from Union. TransAlta has an interest in any matters that may affect the rates or the terms and conditions of service under these contracts.

Please direct all correspondence related to this proceeding to:
