Mr. Pickernell,

Thank you for your reply to my application. It is not easy for seniors such as myself to be completely computer literate and to follow instructions on the website. I am of sound mind but I am 78 years old.

Here is the information you requested so my application may be processed.

Application EB-2013 0416

Patrick J. Hurley
Suite # 302 1359 White Oaks Blvd.
Oakville Ontario
L6H 2R8

I represent myself and three other cottage owners on Lynx Lake in the Town of Kearney Ontario.

I intend to ask the members of the Board questions regarding this application and questions regarding other approvals given Hydro One, specifically the power to charge for delivery when these cottages are completely shut down for the winter months.

I am not asking for an award of costs.

I hope I have answered all of your requested information.
