**Re: Enbridge Gas Distribution Inc. (“Enbridge”)
EB-2012-0382 – Durham York Energy Centre Pipeline
Conditions of Approval**

On March 28, 2013, the Ontario Energy Board (the “Board”) issued the Decision and Order for the above noted proceeding. The Board’s Decision and Order included the Conditions of Approval for the project.

In Section 3.1 of the Conditions of Approval, the Board requires Enbridge to file a Final Monitoring Report within 15 months of the in-service date of the project. The Final Report would be due on February 4, 2015. As it will be difficult to conduct a proper assessment during winter months and verify that there are no outstanding issues related to the project, Enbridge is requesting an extension to the above noted filing date. Enbridge is requesting approval to file the Final Monitoring Report on or before May 1, 2015.

Any future developments will be communicated to the Board.

If you have any questions, please contact the undersigned.

Sincerely,
