IN THE MATTER OF the *Ontario Energy Board Act*,
1998, S.O. 1998, c. 15, Schedule B;

AND IN THE MATTER OF an application pursuant
to section 74 of the *Ontario Energy Board Act*, 1998
by NRStor Inc. to amend electricity generation
licence EG-2013-0315.

By delegation, before: Viive Sawler

DECISION AND ORDER

February 20, 2014

NRStor Inc. filed an application on January 31, 2014 with the Ontario Energy Board (the “Board”) pursuant to section 74 of the *Ontario Energy Board Act*, 1998 (the “Act”) to amend electricity generation licence EG-2013-0315.

The applicant requested that the name on electricity generation licence EG-2013-0315 be amended from NRStor Inc. to NRStor L.P. 1.

The applicant stated that as a result of a reorganization of its corporate structure, a new limited partnership, NRStor L.P. 1, was created. The applicant was originally contracted with the Independent System Operator (the “IESO”) for its flywheel energy storage facility. As a result of the restructuring, the applicant transferred all of its generation assets and material contracts, including the Regulation Services Agreement with the IESO, to NRStor L.P. 1.

Other than a change of the licence name and related asset transfer, all other material aspects of the project and original licence remain the same.

I have proceeded to decide the application without a hearing pursuant to section 21(4)(b) of the Act since no other parties are adversely affected in a material way by the

outcome of the proceeding, and the applicant has consented to disposing of the application without a hearing.

I find that it is in the public interest to grant the requested amendment to the licence.

IT IS THEREFORE ORDERED THAT:

Electricity generation licence EG-2013-0315 is amended as requested. The amended licence is attached to this Order.

DATED at Toronto, February 20, 2014
