Dear Ms. Walli:

RE: EB-2013-0361 – Road Use Agreement

In its last update to its application, the Applicant made reference to a road use agreement reached with Middlesex County. The Applicant's correspondence discussed the infrastructure locations and routing contemplated therein, but unfortunately, a copy of the road use agreement itself was not filed with the Board by the Applicants as had been done in previous applications by applicants associated with Next Era Energy. Please find attached to this correspondence a copy of the road use agreement with the confidential Schedule "A" appropriately redacted for filing with the Board. Middlesex County will be making reference to the road use agreement in its submissions, which will be delivered to the Applicant, Board and all intervenors by March 6, 2014.

Yours Truly,

Wayne P. Meagher, Barrister, Solicitor, LL.B., J.D., H.B.A.
