**Attn: Ms. K. Walli, Board Secretary**

Dear Ms. Walli:

**Re: Proposed Road Use Agreement EB-2013-0361**

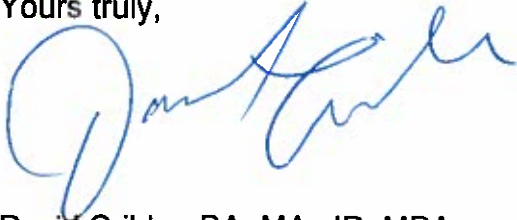

In its last update to its application, the Applicant made reference to a **proposed** road use agreement reached between itself and The County of Lambton. The Applicant's correspondence discussed the **proposed** infrastructure locations and routing contemplated therein, but unfortunately a copy of the **proposed** draft use agreement itself was not filed with the Board by the Applicants as had been done in previous applications associated with Next Era Energy.

Please find attached to this correspondence a copy of the **proposed** road use agreement. There are nine (9) attachments.

The County of Lambton will be making reference to the proposed road use agreement in its submissions, which will be delivered to the Applicant, Board and all intervenors by March 06, 2014

Yours truly,
