Dear Ms. Walli:

Re: EB-2013-0416 - Hydro One Networks Inc. – Distribution Custom Rate Application for 2015-2019

Representing the shareholder of Hydro One Networks Inc., the Ontario Ministry of Energy is interested in the above referenced rate proceeding.

We are requesting observer status for Ministry staff, Ms. Chander, Mr. Motluk and Mr. Nelms, as detailed below.

We recognize that the deadline for requesting intervenor status has passed; however, we trust that since we are requesting observer status only, this should not pose any issues to the Board or any other parties.

Thank you for your assistance.

Sincerely,

Sunita Chander
Manager, Agency Relations Unit
