Dear Ms. Walli

Re: Gas Marketer License Amendment EB-2014-0032

Canadian RiteRate Energy Corporation (“RiteRate”) would like to request an amendment to Schedule 1 of their Gas Marketer License, GM-2013-0324. On January 28th 2014, RiteRate submitted a request to do so (assigned number EB-2014-0032) but would like to redact the following two trade names “Cricket Electricity and CricketElecricity”.

Specifically, we would like to request the addition the following list of Trade Names to our license:

- Cricket Natural Gas
- Cricket NaturalGas
- CricketNaturalGas
- Cricket Power
- CricketPower

The purpose for the Amendment is to include potential Trade names RiteRate is considering marketing a green energy product under. Given the nature of this Amendment, we respectfully request that the Amendment proceed without a hearing.

If you have questions, please do not hesitate to call me by telephone or email at the information below.

Sincerely,

Canadian RiteRate Energy
