To: All Participants in EB-2013-0268:

**Re: Dufferin Wind Power Inc. ("DWPI")
Application for Authority to Expropriate Interest in Certain Lands for the
Purpose of Constructing, Operating and Maintaining DWPI's Transmission
and Distribution Facilities
Board File No. EB-2013-0268**

The Board received on March 3rd and 4th, 2014 letters and replies from the Applicant and from counsel to Messrs. Atkinson and Coe and Atkinson Farms (collectively "Atkinson and Coe") respectively regarding the proposed upcoming testimony of Jack Kottelenberg at the scheduled March 10, 2014 hearing.

DWPI submitted that Atkinson and Coe failed to provide in the Statement of Anticipated Evidence any information as to Mr. Kottelenberg's opinion in relation to any of the topics Atkinson and Coe intend to examine. The Applicant also submitted that the process thus far contemplated by the Board would be procedurally unfair in that it denies DWPI appropriate time for cross-examination. In their replies, Atkinson and Coe disagreed with these submissions arguing that they could not compel Mr. Kottelenberg to prepare any written material in advance of the hearing.

The Board will hear submissions from parties regarding Mr. Kottelenberg's participation in the proceeding as a preliminary matter at the March 10, 2014 hearing.

Yours truly,
