

**EB-2013-0409**

**IN THE MATTER OF** the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, Schedule B;

**AND IN THE MATTER OF** an application pursuant to section 74 of the *Ontario Energy Board Act, 1998* by Cambridge and North Dumfries Hydro Inc. to amend its Electricity Distribution Licence ED-2002-0574.

By delegation, before: Viive Sawler

**DECISION AND ORDER**  
**March 6, 2014**

Cambridge and North Dumfries Hydro Inc. ("CND") filed an application on January 17, 2014, with the Ontario Energy Board under section 74 of the *Ontario Energy Board Act, 1998* (the "Act") for an order of the Board to amend a CND's licensed service area in Schedule 1 of its electricity distribution licence ED-2002-0574.

This amendment is required in order include two additional municipal addresses in Schedule 1 of CND's licence, namely 800 and 802 Brant Waterloo Road in the County of Brant. These two additional addresses were created as a result of subdivision of the property identified as 794 Brant Waterloo Road by its owner. This property is already located in CND's licenced service area and is listed in Schedule 1 of CND's electricity distribution licence.

I have proceeded to decide the application without a hearing pursuant to section 21(4)(b) of the Act since no other parties are adversely affected in a material way by the outcome of the proceeding and the applicant has requested that the matter be disposed of without a hearing.

I find that it is in the public interest to to amend Schedule 1 of CND's electricity distribution licence to include two additional municipal addresses described above.

**IT IS THEREFORE ORDERED THAT:**

Cambridge and North Dumfries Hydro Inc. Electricity Distribution Licence (ED-2002-0574), specifically Schedule 1 of the licence, is amended to include the customers in the County of Brant located at 800 and 902 Brant Waterloo Road.

**DATED** at Toronto, March 6, 2014

**ONTARIO ENERGY BOARD**
