**Re: Niagara-on-the-Lake Hydro Inc. ("NOTL Hydro")  
2014 Cost of Service Rate Application**

The Board is in receipt of a letter from NOTL Hydro indicating that it would be unable to meet the due date of March 6, 2014 for the filing of the Settlement Proposal that was indicated in Procedural Order No. 3.

NOTL Hydro noted that it had circulated the first draft of the Settlement Proposal but, that intervenors would not be able to provide their comments until after the deadline, due to ongoing commitments in other cases before the Board. NOTL Hydro indicated that it was targeting a March 13, 2014 date for the filing of the Settlement Proposal.

The Board accepts NOTL Hydro's proposed target date of March 13, 2014 for the filing of the Settlement Proposal. As per the date set out in Procedural Order No. 3, the Board expects that any submission from Board staff on the Settlement Proposal shall be filed with the Board and served on all parties within 7 days from when the Settlement Proposal is filed.

Yours truly,
