

Board Staff Interrogatories

**APPLICATION FOR LEAVE TO CONSTRUCT
A TRANSMISSION LINE AND RELATED FACILITIES BY
NIAGARA REGION WIND CORPORATION**

EB-2013-0203

February 18, 2014

Interrogatory No. 1: Customer Impact Assessment Report (CIA) and System Impact Assessment Report (SIA)

References: *Ex. H/Tab. 1/Sch. 1 - 4*

- (a) Has the Applicant received the updated SIA report from the IESO, in light of the April 22, 2013 amendments? Please file the updated SIA report. If the IESO review is still on-going, please indicate when the review is expected to be completed and please file the updated SIA report upon completion of the review.
- (b) Is an update to the CIA report also required in light of the amendments to the SIA? If an updated CIA is required, please submit the updated CIA report or indicate when the updated CIA report will be available. If applicable, please file the updated CIA report upon completion.

Interrogatory No. 2: Project Schedule

References: *Ex. C/Tab. 1/Sch. 2*

- (a) Please update the Project Schedule at the above reference if the schedule has changed.

Interrogatory No. 3: Status of REA

Reference: *Ex. B/Tab. 1/Sch. 1/paragraph 6*

- (a) At the above reference the Applicant states that a decision from the MOE regarding its REA application was expected in Q4 2013. Has the Applicant received the referenced MOE decision? Please file the MOE's decision if one has been issued or indicate when a decision is expected.

Interrogatory No. 4: Land Matters

References: *Ex. F/Tab 1/Sch. 1*

- (a) In paragraph 44 at the above of reference, the Applicant states it has entered into a road-use agreement with the Town of Lincoln and that it will enter into similar agreements with the other municipalities. What is the status of the agreements with the other three affected municipalities?

- (b) In paragraph 50 at the above reference, the Applicant states that an easement may be required from the property owner on the north side of Canborough Road. What is the status of this agreement? Please describe the infrastructure that is planned to be located on this property?
- (c) Has the Applicant successfully executed an agreement with property owners in relation to the properties identified in Table A, at the above reference? If applicable, please identify the properties in Table A in relation to which the Applicant has not been able to execute an agreement with the owner.
- (d) With respect to the property (PIN # 640010059) in Table A, please describe the infrastructure that is planned to be located on this property.
- (e) Is the Applicant required to enter into an agreement with the property owners in Table B, at the above reference? Please provide an update on the status of these negotiations.
- (f) Will the Applicant require temporary land rights (for example during construction) from any private landowners? Does the applicant know which of the properties will be affected if such temporary rights are needed?

- End of Document -
