DELIVERED BY RESS, COURIER AND E-MAIL

Ms. Kristen Walli, Board Secretary
Ontario Energy Board
2300 Yonge Street
Suite 2701
Toronto, ON M4P 1E4

Dear Ms. Walli:

**Re: Orangeville Hydro Settlement
EB-2013-0160**

Orangeville Hydro Limited ("OHL") is writing to notify the Board that the parties to the settlement conference continue to actively work on a draft settlement proposal in respect on the above noted matter.

This is the first time that any of the parties are working their way through negotiated settlement language in respect of the Board's new form of approved issues list as adopted in Procedural Order No. 2. Because of this, the process of finalizing the terms of the settlement proposal is taking longer than it otherwise may have.

Notwithstanding the progress made over the past week and throughout the weekend, we do not expect that we will be in a position to file a settlement proposal by March 11, 2014 as required pursuant to Procedural Order No. 3.

Because of this, OHL respectfully requests a one-week extension to file the settlement proposal to March 18, 2014.

Yours Truly,

BORDEN LADNER GERVAIS LLP
