Dear Mr. Fairbrother,

**Re:       wpd White Pines Wind Incorporated  
Application for Leave to Construct Transmission Facilities  
Board File No. EB-2013-0339**

This is in response to your request for a three-week extension to the deadline for filing interrogatories in this proceeding from March 19, 2014 to April 9, 2014 to the County of Prince Edward (the "County"), due to an emergency family situation that has arisen. The Applicant submitted that a one-week extension is more appropriate so as to reduce impact on the schedule.

The Board hereby grants the County a two-week extension to the deadline for filing interrogatories in this proceeding. Thus the County has until **April 2, 2014** to file interrogatories.

Accordingly, the deadline for the applicant to file responses to the County's interrogatories will be extended to **April 16, 2014**.

The interrogatory filing date for the other parties and the Applicant's response date for those interrogatories remain as **March 19, 2014** and **April 2, 2014**, respectively, as per Procedural Order No. 1.

The date for Board staff and intervenors to indicate if it is their intention to file evidence will be extended to **April 23, 2014**.

Yours truly,

*Original Signed By*
