Ms. Kirsten Walli  
Secretary  
Ontario Energy Board  
Suite 2700, 2300 Yonge Street  
P.O. Box 2319  
Toronto, ON M4P 1E4

Dear Ms. Walli:

**Re: EB-2013-0416**

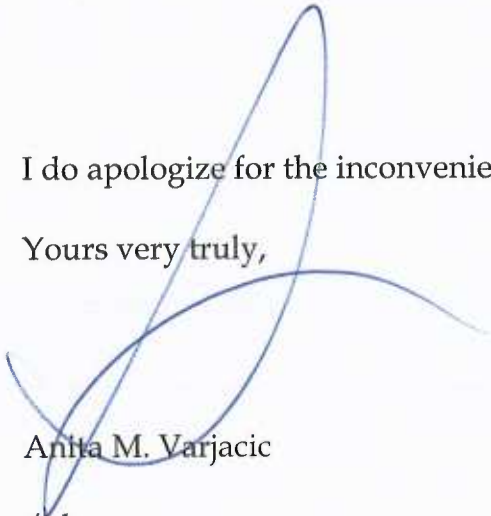

We are in receipt of the Board's Procedural Order No. 1 dated March 14, 2014 relating to the above matter. I note that the Procedural Order makes provision for three technical conferences as well as a Board Presentation/Issues List day.

The first of those dates that was earmarked for a technical conference is April 1, 2014. I am advised by the applicant that both Ms. Susan Frank and Mr. Allan Cowan, both of whom are heavily involved in the application and had intended on participating in the technical conference as witnesses, are not available that day.

Accordingly, we would be grateful if the Board would consider either shifting the schedule as outlined in the Procedural Order over by one week, or by preserving the April 10 and April 23, 2014 dates for the technical conferences, and maintaining the May 12 date for the Board Presentation, but accommodating a third technical conference date during the week of April 28, 2014.

I do apologize for the inconvenience but do appreciate your assistance.

Yours very truly,

Anita M. Varjadic
