Subject: Request for Observer Status RE EB 2014 - 0022

Dear Contact,

I would like to be granted Observer status Re EB 2014-0022 Suncor Energy LTC Transmission Facility. The publication date for the notice was March 4 2014 in the Sarnia Observer.

My understanding of Observer is as follows:

2. Become an Observer

Observers do not participate actively in the proceeding but receive documents issued by the Board in the proceeding. You may request observer status by sending a request to the Board no later than **10 days** from the publication or service date of the notice for the application.

All requests for observer status sent to the Board are placed on the public record. This means the requests can be seen at our offices and will be placed on our website. Before the request for observer status is placed on the public record, all personal (i.e. not business) contact information is removed, such as an individual's address, fax and phone numbers, and email address. The individual's name and the content of the request will become part of the public record.

Observers may also request documents filed by the applicant and other parties to the proceeding but must request these documents directly from the relevant party. Observers may be required to pay for the costs of reproducing and delivering the material.

Contact information is:

Doris St. Amand

Please advise me if there is any other action needed by me to secure Observer status.

Thanks,

Sincerely,

Doris St. Amand
