Subject: ENBRIDGE GAS RATE INCREASE

Hello !!

Enough is enough!!!!!!!!!!

Will my salary be increased by 40 % in order to off-set all my increased costs?

Will my salary be increased in order for me to cover my children's high cost of university tuition???

IT'S CALLED let's budget Enbridge's books!!!!

Is this done so that down the road, sometime this year, when the bonuses and salary increases for the executives at Enbridge get announced we see how WELL COMPENSATED they are !!!!

Is there a petition to sign????

HOW CAN THIS BE STOPPED?????

A non-generic reply would be VERY much appreciated!!!
