

March 19, 2014

Ontario Energy Board  
P.O. Box 2319  
2300 Yonge Street  
27th Floor  
Toronto, ON M4P 1E4  
**Attention: Ms. Kirsten Walli, Board Secretary**

Dear Ms. Walli:

**Re: 2014 IRM Rate Application  
EB-2013-0125  
Draft Tariff of Rates and Charges**

On March 13, 2014, the Board issued its draft Tariff of Rates and Charges to EnWin and published these documents on its publicly accessible website. EnWin was invited to perform a review and provide input on any concerns with the accuracy of the Tariff of Rates and Charges.

EnWin has found two errors. The correct value for GS > 50 kW "Rate Rider for Disposition of Deferred PILs Variance Account 1562 (2012) – effective until April 30, 2015" is 0.1926 \$/kW. The correct value for GS 3,000 to 4,999 kW "Rate Rider for Disposition of Deferred PILs Variance Account 1562 (2012) – effective until April 30, 2015" is 0.0746 \$/kW. These rates are the same as set out in EnWin's 2013 Tariff of Rates and Charges.

These corrections are provided pursuant to the Board's Order. This filing is made without prejudice to any right of appeal in relation to the decision of Ms. Anderson.

Yours very truly,

**EnWin Utilities Ltd.**
