**Re: Natural Resource Gas Limited
April 1, 2014 QRAM Application
Board File No. EB-2014-0053
Submission Process**

Board staff filed a letter dated March 20, 2014 requesting that the Board establish a process for submissions in NRG's April 1, 2014 QRAM proceeding. The Board accepts the request of Board staff on the basis that important issues have arisen in the proceeding that merit an additional submission process.

The Board will grant Board staff, and any other parties that wish to make submissions, the opportunity to file submissions no later than Monday, March 24, 2014. If NRG chooses to reply to the submissions received, it can file its reply submission no later than Thursday, March 27, 2014.

Yours truly,
