Dear Ms. Walli:

**Re: Enbridge Gas Distribution Inc. ("Enbridge")  
April 1, 2014 QRAM Application  
Board File No. EB-2014-0039**

Board staff has noted the concerns of consumer representatives and other parties expressed in their letters dated March 17 and 18, 2014, filed on the record of this application, and the letters of comment from private citizens received by the Board. Board staff has also reviewed the responses from Enbridge to the questions asked by the Canadian Manufacturers & Exporters and Board staff. In light of this material, Board staff submits that the Board should consider extending the process in this application to provide for written submissions by parties on whether rate mitigation measures should be ordered.

Yours truly,
