Mr. Andrew Mandyam  
Director, Regulatory Affairs  
Enbridge Gas Distribution Inc.  
Toronto ON M5J 1P8

Dear Mr. Mandyam:

**Re: Enbridge Gas Distribution Inc.  
2014-2018 Customized IR Application  
Board File No. EB-2012-0459**

The Panel has considered the request by Enbridge at the March 25 oral hearing for an advance submission by APPrO on the Rate 125 matter as well as the request by APPrO to file its reply with respect to the same issue on a separate timeline.

The Board will not change the argument schedule. The Board has determined that parties may address the issue of Rate 125 in the context of the evidence filed by Enbridge and APPrO and that it is not necessary for parties to know APPrO's position in advance. It is therefore not necessary to provide a separate process for argument and reply on this specific issue. The original schedule is therefore maintained as follows:

Argument-in-Chief	Mon. March 31
Board Staff Submissions	Mon. April 14
Submissions of Parties	Wed. April 16
Reply Argument	Wed. April 30

Yours truly,
