Attention: Kirsten Walli, Board Secretary

Dear Ms. Walli:

**Re: Wellington North Power Inc. – ED-2002-0511
2014 Distribution Rate Application
OEB File Number: EB-2013-0178
Response to Comments on Draft Rate Order**

Wellington North Power Inc. (WNP) acknowledges receipt of the Ontario Energy Board's "Comments on the Draft Rate Order" dated March 27, 2014 for file number EB-2013-0178 for approval for changes to the rates that the Applicant charges for electricity distribution, effective May 1, 2014.

In view of the comments received from the Board Staff, Wellington North Power Inc. (WNP) submits the following response:

- 1) The variable rate riders in the Tariff of Rates and Charges are rounded to five decimal places. The Board's practice is to use four decimal places unless the calculated rate riders do not yield a valid rate. The use of five decimal places is on an exception basis. Board staff notes that all calculated rate riders in WNP's Tariff of Rates and Charges would yield a valid rate if rounded to four decimal places.

WNP Response:

WNP has amended the variable rate riders in the Tariff of Rates and Charges to be four (4) decimal places as requested.

WNP has filed a revised Tariff of Rates and Charges schedule with this letter.

Submitted File: [WellingtonNorth_EB-2013-0178_Draft_Tariff_of_Rates_Charges_DRO_20140331](#)

- 2) WNP's Tariff of Rates and Charges includes a heading for regulatory charges for the microFIT class when no such charges apply.

WNP Response:

As requested, WNP has removed the heading of regulatory Charges for the microFIT class from the Tariff of Rates and Charges.

WNP has filed a revised Tariff of Rates and Charges schedule with this letter.

Submitted File: WellingtonNorth_EB-2013-0178_Draft_Tariff_of_Rates_Charges_DRO_20140331

- 3) The Rate Riders for Incremental Capital provided in the Tariff of Rates and charges do not indicate that they are to be in effect until the effective date of WNP's next cost of service based rate order.

WNP Response:

For the Incremental Capital Rate Riders, WNP has included the "effective until date of April 30, 2016" (the Applicant's next Cost of Service based rate order date) in the Tariff of Rates and Charges.

WNP has filed an updated Rate Generator model and a revised Tariff of Rates and Charges schedule with this letter.

WellingtonNorth_EB-2013-0178_Draft_Tariff_of_Rates_Charges_DRO_20140331

- 4) Under the Application heading for each class, the third paragraph does not indicate that monthly rates and charges under the "Regulatory Component" heading do not apply to a customer that is a wholesale market participant, similar to WNP's current Tariff of Rates and Charges.

WNP Response:

WNP has included the following information within the third paragraph under the Application heading for each rates class as shown in the Tariff of Rates and Charges schedule:

"In addition, the charges in the MONTHLY RATES AND CHARGES - Regulatory Component of this schedule do not apply to a customer that is an embedded wholesale market participant."

WNP has filed a revised Tariff of Rates and Charges schedule with this letter.

Submitted File: WellingtonNorth_EB-2013-0178_Draft_Tariff_of_Rates_Charges_DRO_20140331

WNP wish to note for the record that no comments were received from intervenors who have been involved with this Application.
