Dear Premier:

RE: Endorsation of Resolution from Town of Arnprior – Electricity Rates

Further to receipt of the recent resolution circulated by the Canadian Town of Arnprior with respect to the ever increasing electricity rates across the province, this is to confirm that Kenora City Council adopted the following resolution (#11) at its meeting held March 18, 2014:-

"That Council of the Corporation of the City of Kenora hereby supports and endorses in principle the resolution received by the Town of Arnprior, a copy of which is attached to the February 27 report of the City Clerk, urging the Province of Ontario to ensure electricity rates both in the short and long-term allowing businesses to remain competitive and the vulnerable residents of our communities in Ontario are not overburdened by ever-increasing electricity rates; and

That Council urges the Ontario Energy Board in the strongest possible way not to approve any further rate increases specific to the cost of power and the global adjustment portions of the electricity billing; and further

That a copy of this resolution be forwarded to the Premier of Ontario, the Minister of Energy and Infrastructure, the Ontario Energy Board, the Ontario Power Authority, the Association of Municipalities of Ontario, Sarah Campbell, MPP and the Town of Arnprior."

On behalf of Council, we look forward to your assistance in ensuring that our businesses stay competitive and our residents are not overburdened by ever-increasing electricity rates.

Sincerely,

Heather Lajeunesse
Deputy Clerk
