**NOTICE OF APPLICATION AND WRITTEN HEARING  
FOR AN  
ELECTRICITY DISTRIBUTION RATE CHANGE  
AND  
NOTICE OF COMBINED PROCEEDING AND HEARING  
RELATING TO SMART METERS**

**KASHECHEWAN POWER CORPORATION**

Kashechewan Power Corporation has filed an application with the Ontario Energy Board (the "Board"), received on March 29, 2006 under section 78 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c.15 (Schedule B). The Board has assigned the application File No. EB-2007-0546. This Notice contains important information about participation in the hearing associated with the applicant's rate change application ("rate proceeding") and about participation in a combined proceeding relating to rate adjustments for smart meters ("smart meter combined proceeding").

Kashechewan Power Corporation has applied to the Board to change its distribution rates. The application has been filed on the basis of the guidelines set out in the December 20, 2006 "Report of the Board on Cost of Capital and 2<sup>nd</sup> Generation Incentive Regulation for Ontario's Electricity Distributors", available from the Board as described under "Need More Information?" below.

The standard electricity bill for residential and small general service customers has four line items: Electricity; Delivery, Regulatory and Debt Retirement Charge. The rate change application affects only the Delivery line of that bill. If approved, a typical residential customer consuming 1,000 kWh per month would experience an approximate decrease of 0.1% in the electricity bill. A small general service customer

consuming 2,000 kWh per month and having a monthly demand of 50 kW or lower would experience an approximate increase of 0.3%.

### How to see Kashechewan Power Corporation's Pre-filed Evidence

Copies of the application are available for inspection at the Board's offices in Toronto and on its website, and at the Kashechewan Power Corporation office, and on its website if available.

### How to Participate in the Rate Proceeding

The Board intends to proceed with Kashechewan Power Corporation's rate change application by way of written hearing unless a party satisfies the Board that there is good reason for holding an oral hearing. If you object to a written hearing in this matter, you must provide written reasons why an oral hearing is necessary. Any objections to a written hearing must be received by the Board and copied to the applicant at the addresses below no later than 10 days from the date of publication of this Notice or, if you have been served this Notice directly, no later than 10 days from the date of service. The Board will not award costs in this matter.

Proceeding by way of written hearing, the Board requests interested parties to file submissions, in writing, setting out their views on the application. You must forward three paper copies and, if possible, an electronic copy in Word format and in searchable PDF format of your submission to the Board and one copy to the applicant at the addresses below. All submissions must be received by the Board and the applicant at the addresses below no later than 21 days from the date of publication of this Notice or, if you have been served this Notice directly, no later than 21 days from the date of service. If Kashechewan Power Corporation wishes to respond to a submission, the response must be filed with the Board and copied to the party that made the submission no later than 7 days from the date of receipt of the submission.

### How to Make Filings to the Board

All filings to the Board must quote File No. EB-2007-0546, and clearly state the sender's name, postal address and telephone number and, when available a fax number and e-mail address. All communications should be directed to the attention of the Board Secretary at the address below, and be received no later than 4:45 p.m. on the required date.
