Subject: rate increase

You turkeys should be ashamed of yourselves giving Enbridge a 40% immediate rate increase, which they already passed on!!!! Are you out of your friggen minds????? Enbridge had lot of gas in storage and did not have to go to the market until recently, so why the huge increase???? You are as bad as the Ontario government when it paid 20 times the going rate for solar energy. You should follow the lead of the federal energy agency and give these guys the finger. Shame on you!!! I would fire the whole lot of you, if I could. Turkeys!!!!!!
