Subject: EB-2013-0442

I, Brent Whetung am a First Nation person who has Treaty Rights directly affected by the Wpd Sumac Ridge project assigned application number EB-2013-0442. This project is with the Treaty 20 area in Ontario.

I am requesting intervener status with regard to application EB-2013-0442 regarding the location of the Distribution Facilities within the road allowances owned by the Municipality of Kawartha Lakes.

Wpd has not consulted with Curve lake First Nation with whom I am a member of as per the Supreme Court decision regarding the duty to consult. I have been granted support by Curve Lake First Nation Chief and Council to object to the Sumac Ridge project.

I am therefore requesting that this process cease immediately, until meaningful consultation according to Canadian law is initiated and the concerns of myself and Curve Lake First Nation are addressed.

I am also requesting that hearings regarding my complaint be heard on Curve Lake First Nation. Please use my personal e-mail for further correspondence, warpony11@gmail.com
