Ontario Energy Board  
Suite 2701

Dear Ms Walli:

**Re: EB-2013-0234/Submissions on Confidentiality**

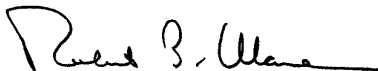

We are counsel to Toronto Hydro-Electric System Limited in this matter. We have received a copy of the Board's Decision on Confidentiality dated April 8, 2014 ("Decision"). We have been instructed to seek a review of that Decision.

As the Board will be aware, a Technical Conference is scheduled to commence on April 9, 2014. It was our client's intention that questions related to the material, in respect of which we sought confidential treatment, be dealt with *in camera*. Pending the outcome of our application for a review of the Decision, our client is prepared to proceed with the Technical Conference, but only on the consent of all parties that the confidential material be dealt with *in camera*.

Accordingly, we ask that all parties advise us, as soon as possible, whether they are prepared to consent to proceeding with the Technical Conference on the basis that the confidential material remains confidential and is dealt with *in camera*.

Yours truly,

**WeirFoulds LLP**
