Subject: Letter Of Comment

To whom this may concern,

This letter is to address the outrageous 40% Natural Gas hike. It is completely criminal and unwarranted. You people should be ashamed of yourselves. I would love for you to send me all the information which proves the need for such a ridiculous hike. Do the right thing and withdraw this hike!

I will do everything in my power to boycott your company and spread the truth if you do not.

Yet another Enbridge victim.
