IN THE MATTER OF the *Ontario Energy Board Act, 1998*, S.O.1998, c.15, Schedule B;

AND IN THE MATTER OF an application by Fort Chicago District Energy Ltd. to amend its electricity generator licence EG-2007-0775

By delegation, before: Viive Sawler

DECISION AND ORDER

April 10, 2014

On January 21, 2014, Fort Chicago District Energy Ltd. ("Fort Chicago") filed an application with the Ontario Energy Board (the "Board") pursuant to section 74 of the *Ontario Energy Board Act, 1998*, (the "Act") for an order of the Board to change the name on its electricity generator licence (EG-2007-0775) to Veresen Energy Infrastructure Inc. ("Veresen"). The applicant also requested that the facility name in Schedule 1 of its licence be updated to London Cogeneration Facility.

Fort Chicago amalgamated with Veresen and will continue under the name Veresen. In support of its application, the applicant filed a Certificate of Amalgamation. Prior to amalgamation, the applicant was a wholly owned subsidiary of Veresen.

The application is granted. The applicant's agreement with the Ontario Power Authority has been amended to reflect Veresen as the new supplier under the contract, and all other information pertaining to the licence holder remains unchanged.

I have proceeded to decide the application without a hearing pursuant to section 21(4)(b) of the Act since no other parties are adversely affected in a material way by the outcome of the proceeding, and the applicant has consented to disposing of the application without a hearing.

IT IS THEREFORE ORDERED THAT:

The name on Fort Chicago District Energy Ltd.'s electricity generator licence is amended to Veresen Energy Infrastructure Inc. and the facility name is changed to London Cogeneration Facility. The amended licence is attached to this Order.

DATED at Toronto, April 10, 2014
